News (100-250words) - Specialty - Facts & Figures - Budget - Beneficiary Profile - Impact/Outcome	A meaningful milestone was achieved through the Nepal Community School Toilet Project (GG2458084) with the handover of a newly constructed five-room, WHO-standard toilet facility at Shree Janata Secondary School, Katari Municipality, Udayapur. The project was supported by the Rotary Club of Dover, Rotary Club of Aachen, The Rotary Foundation, Rotary Club of Dhulikhel, and Rotary District 1120, aims to provide students and the school community with better sanitation, hygiene, health, safety, and dignity. The handover ceremony was led by Rtn. Ranjeev Shrestha, Past President and facility was formally handed over by Rtn. Mohan Kumar Shrestha, President of the Rotary Club of Dhulikhel, and Mr. Rajesh Chandra Shrestha, Mayor of Katari Municipality. It is a good example of how Rotary partnerships can create practical and lasting benefits for local communities.
